If you, a regular Joe like me, are not a movie star or an overpaid professional baseball player or a lottery winner or a high-powered executive, what are your chances of becoming a millionaire Better than you think--much better. And you dont have to strike oil to do it. The secret Its not glamorous, but it is simple, and almost foolproof, because the math is in your favor. Its my story, and the story of others who are quietly amassing 401(k) fortunes--and the simple plan to make your story my story. A surefire plan for financial independence--through bull and bear markets. This book will thoroughly explain the ins and outs of how 401(k) plans work, including tax benefits, contribution requirements and limits, withdrawal limitations, and risk management--and then fully describes Knutes Unbeatable, Unbreak-able Rules for Making It to a Million: a foolproof formula that gives readers a step-by-step regimen for maximizing the potential of their 401(k) plans. With simple, accessible language and clear, detailed steps for financial success, The 401(k) Millionaire is required reading for anyone who wants to make the most of his or her money.
