Now that bond is closer than ever, growing into feelings beyond friendship--and straining their ties to the world around them even as war stirs everywhere. The Queen s own prime general Lady Althea has turned rogue, taking the lion s share of the army and moving to assault the kingdom. As Lady Althea s son, Percy is caught in the middle, struggling to keep his friends out of the conflict as best he can. Knowing his mother, she won t settle for anything less than shaking the foundations of the world. Through all this Percy s father, once thought dead, has returned to support The Queen. Along with his arrival, he shows Percy a new form of magic letting him know just how much he has to learn. Magic, dragons, and steam-powered weapons gather for a war that threatens to remake the world, leaving Percy caught between the both sides. Only his courage stands between the chaos and his new-found family.
