Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Lectorum Pubns, 2010. Paperback. Book Condition: New. Translation. 278 x 254 mm. Language: Spanish . Brand New Book. PreSchool-Grade 3-This is a translation of the popular book that tells the tale of how seven blind mice have different versions of what is in front of them, depending on what they feel, until the last mouse brings consensus and together they conclude it is an elephant. Written in rhyming verse, Uribe s translation is impeccable and flows well, convincingly presenting the moral of the story. This is an essential addition for school and public library folklore collections.Maria Mena, LeRoy Collins Leon Cty. P.L., Tallahassee, FL.
