Hodder Stoughton General Division, United Kingdom, 2016. Hardback. Book Condition: New. 242 x 158 mm. Language: English . Brand New Book. The name s Gideon Tau, but everyone just calls me London. I work for the Delphic Division, the occult investigative unit of the South African Police Service. My life revolves around two things - finding out who killed my daughter and imagining what I m going to do to the bastard when I catch him. I have two friends. The first is my boss, Armitage, a fifty-something DCI from Yorkshire who looks more like someone s mother than a cop. Don t let that fool you. The second is the dog, my magical spirit guide. He talks, he watches TV all day, and he s a mean drunk. Life is pretty routine - I solve crimes, I search for my daughter s killer. Wash, rinse, repeat. Until the day I m called out to the murder of a ramanga - a low-key vampire - basically, the tabloid journalist of the vampire world. It looks like an open and shut case. There s even CCTV footage of the killer. Except.the face on the CCTV footage? It s the face of the man who killed my daughter. I m about to face a tough choice. Catch her killer or save the world? I can t do both. It s not looking good for the world. Poison City is the first in a fantastical new series for fans of Ben Aaronovitch, Lauren Beukes, Sarah Lotz and Stephen King.
