## And God Said: Let There Be Evolution: The Science and Politics of Evolution

By Paul Sanghera

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Instead of just being another book on evolution, this book puts the whole story of historical development of the theory of evolution from Darwin and Wallace to modern genetics together in an easy to understand form. Instead of overemphasizing Darwin and fossil evidence, it extends the treatment of the theory to a much bigger scientific context, which includes biochemistry and molecular biology. Furthermore, it also explores the connection of the theory of evolution with physics, and what quantum mechanics, the well-established theory of physics, may have in store for evolution. As the development of practical applications of a theory provides the ultimate evidence for its validity, this book explores the applications of evolution. This book also offers a reality check that many of us need in order to break away from so-called Darwinism. Such a breakaway is good for the scientific health of our nation and the world. In addition to busting the false synonymy between Darwin and evolution, this book also busts many other myths about evolution. Scientifically, it is hard to understand what something is without...
