# Documentation for Physical Therapist Practice: A Clinical Decision Making Approach

By Jacqueline A. Osborne

Jones and Bartlett Publishers, Inc. Paperback. Book Condition: new. BRAND NEW, Documentation for Physical Therapist Practice: A Clinical Decision Making Approach, Jacqueline A. Osborne, Documentation for Physical Therapist Practice: A Clinical Decision Making Approach provides the framework for successful documentation. It is synchronous with Medicare standards as well as the American Physical Therapy Association's recommendations for defensible documentation. It identifies documentation basics which can be readily applied to a broad spectrum of documentation formats including paper-based and electronic systems. This key resource utilizes a practical clinical decision making approach and applies this framework to all aspects of documentation. This text emphasizes how the common and standard language of the Guide to Physical Therapist Practice and the International Classification of Functioning, Disability, and Health (ICF) model can be integrated with a physical therapist's clinical reasoning process and a physical therapist assistant's skill set to produce successful documentation. Includes content on documentation formations: Initial Evaluations, Re-examination Notes, Daily Notes, Conclusion of the Episode of Care Summaries, Home Exercise Program Reviews all the important issues related to style, types of documentation, and utilization of documentation Covers documentation relevant in different settings (inpatient, home health, skilled nursing facility, outpatient) Helps students learn how to...

## Reviews

*Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
