New York Times bestselling authors Esther and Jerry Hicks present the teachings of multi-dimensional group consciousness Abraham. Abraham has emphasised the importance of our conscious alignment with the Source within us to live the life of our dreams. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy - and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything - from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience - is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now. and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: General Well-Being, Financial Well-Being, Physical Well-Being, and Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.
