

How to Hide a Lion

By Helen Stephens

Scholastic, United Kingdom, 2012. Paperback. Book Condition: New. Helen Stephens (illustrator). 272 x 246 mm. Language: English . Brand New Book. How does a very small girl hide a very large lion? It s not easy, but Iris has to do her best, because mums and dads can be funny about having a lion in the house. Luckily, there are lots of good places to hide a lion - behind the shower curtain, in your bed, and even up a tree. But Iris can t hide her lion forever, and when her mum discovers him, he has to run away and hide all on his own. When the lion sees three robbers stealing from the town hall, it s his chance to show everyone that he is, after all, a kind (and very brave) lion - just like Iris always said.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
