

A Manual of Service: For the Fifth Brigade, National Guard of Pennsylvania (Classic Reprint)

Filesize: 8.35 MB

Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.
(Prof. Corbin Hilll)

A MANUAL OF SERVICE: FOR THE FIFTH BRIGADE, NATIONAL GUARD OF PENNSYLVANIA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Manual of Service: For the Fifth Brigade, National Guard of Pennsylvania These few pages have been prepared to partially meet a want experienced by every new officer and soldier, and by many old on s, viz: that of having a ready reference book of the customs of the service, which will indicate in general the duties of each, and what should be done on particular occasions. These in active service can be learned by observation, but in the National Guard service there is not this opportunity, and the willingness always manifested by the individuals of my commands (the old 20th and 7th Divisions and the present 5th Brigade) to avail themselves of every means of instruction, leads me to believe that my efforts to assist them will not be without good results. Compiled at leisure moments outside of business hours, and in haste for issue before any service that might be required this summer in encampments or otherwise, the Manual is necessarily incomplete and needs replacing by a carefully prepared volume, which our most efficient Adjutant General, General J. W. Latta, promises from the hands of a board of officers, whose military education will insure absolute correctness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
