Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.No matter what you re told, what you ve got, or how bad it gets, never feel helpless about your health again. This book presents a workable model for how the different parts of you, physical, emotional and the deeper parts, interact with each other and how, when they are out of sync, cause symptoms. A model that will work for you for everything from the smallest pain to terminal illness. Reviews This book is remarkable. Not only is it a succinct summary on how to become your own wellness detective, it is also easy to read and humorous. With deep insight, it equips the user with a wellness model that they can use to monitor their health, and improve it. This book gave me sudden insight into the sources of my personal health issues, and has put me on the track to recovery. WJ Kington - Brisbane. Dear John, I want to thank you for the workshop and your book both of which precipitated a shift in my energy. I have for the last year or more been facing a big lump of self-doubt in me which seemed to expand and infiltrate into many areas of my life, especially work. I read your book through and answered the questions and about a week later, there was a sudden energetic shift in me and this block was blown out of my system. Since then I have had nothing but success stories from my clients, or perhaps it is that I am able to hear them and not magnify the not so good. Thank you for your contribution to this shift. Sandra Newland - Brisbane. Thank you John for...
