Brand New Book ***** Print on Demand *****.Clint Long, desperately seeking a sponsor for his race team, impulsively stops by an old mystic to have his fortune read and unwittingly sparks a euphoric reaction when she discovers he by chance has eleven direct genetic links to their twelve sacred tribes, which the governing Council of their Craft has been trying to forge for over five thousand years. Unbeknownst to him, the colorful members of Council hastily adapt a plan to gather his seed within a maiden from the remaining twelfth tribe, whose newborn persona is destined by the ancient ones to usher in a new age of enlightenment for all mankind. For this noble quest, they select Leah as the vessel to bear his child, a naive young woman raised in the swamps of Louisiana and home-schooled by her mother with virtually no contact with the outside world. When Leah's godmother mistakenly casts a love spell, Clint whisks Leah out of her protected environment into his fast-paced world while Council valiantly tries to keep up and subtly protect the unborn child.
