Random House USA Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 175 x 102 mm. Language: English . Brand New Book. From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series For Tres Navarre, English professor turned private investigator, business has lately taken a drastic turn south. But if chasing down bail jumpers, adulterous spouses, and workmen s comp cases seemed like the dregs of the PI game, it was at least a living. Not as much could be said for tracking down a man like Will the Ghost Stirman. The stone-cold killer has just staged a bloody escape from the Floresville State Penitentiary with a gang of violent cons as spooked by Stirman as those on the outside who helped put him behind bars. And no one seems more worried than Navarre s boss and mentor, Erainya Manos. It was her husband along with rival PI Sam Barrera who built the case that sent Stirman away. But Erainya s husband is dead and she s certain Stirman won t let that stand in the way of his taking revenge against her and her adopted son. All of Navarre s instincts are screaming that there s more to this case than meets the eye. But Erainya won t tell him--and Sam Barrera seems to be escaping into a strange twilight from a truth too terrible to remember. That leaves Tres to dig into a twisted mystery of greed, vigilantism, and murder, where lives are bought and sold and the line between guilt and innocence is razor-thin. Meanwhile, Stirman and his gang are coming, leaving behind them a trail of brutal, unforgiving violence that will end in an area of San Antonio known as Southtown--but that may soon just as well be called hell...
