LEONAU. Hardcover. Book Condition: New. Hardcover. 172 pages. Dimensions: 8.7in. x 5.7in. x 0.9in. The Blue Jackets who fought on land The time of Nelson was not only notable because of the success in nautical warfare of the man himself, but also because it was the zenith of the age of sail that left British sea power so dominant that Britannia really did rule the waves. No navy could stand against the might of the Royal Navy, and so until Jutland during the Great War it would not fight another major battle at sea. Queen Victorias ever expanding empire meant that British forces were perpetually set against often underdeveloped powers and the navy took its part, but most of the hard work of empire building would inevitably fall upon the British army. Of course, the Royal Navy had its own soldiers-the Royal Marines. The particular talents and skills of sailors were often required, particularly whilst manning the guns, so the 19th century saw the blue jackets in action in the Crimean War, the Indian Mutiny, the Zulu War, the Boer War and several other conflicts. The early years of the 20th century brought a period of instability that inexorably dragged the great powers of Europe towards the cataclysm of blood which was to be the Great War of 1914-18. The entire British Empire mobilised and the industrial efficiency of modern methods of war and the global nature of the conflict drew more and more men into the services. The Royal Naval Division was formed around a cadre of Royal Marines and sailors and was expanded as a unit of the New Army by volunteers. The Division saw action in the defence of Antwerp in 1914, on Helles and Anzac during the disastrous Gallipoli Campaign in 1915 and on the Western Front...
