Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

SCOTTISH BALLADS (MAIN ED)

Canongate Books Ltd. Paperback. Book Condition: new. BRAND NEW, Scottish Ballads (Main ed), Emily Lyle, Scotland's ballads represent one of the high-water marks of Scottish literature and are famous as superb expressions of oral culture, reflecting a world of magic, deep passion and history transformed into legend. This selection includes more than eighty of the finest ballads, together with an introduction, notes and glosses. The versions come from the last three centuries—from the time of Burns and Scott, who were among the earliest collectors, up to the present day. Although the ballads are anonymous in a way, the singers themselves determine the versions we have, by a process of selection, interpretation and refashioning. Wherever possible, this edition includes the names of the singers, many of whom were women. An internationally recognised ballad scholar, Emily Lyle is a research fellow at the School of Scottish Studies in the University of Edinburgh, and is general editor of The Grieg-Duncan Folk song Collection.
