Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hans of Iceland, Vol. 2 of 2 The regiment of musketeers from Munkholm was on the March through the narrow passes lying between Thronhjelm and Skongen. Sometimes it moved along the brink of a torrent, and the long of bayonets crept through the ravine like a huge serpent with glittering scales; sometimes it wound around a mountain, making it look like one of those triumphal columns about which curves an army of heroes in bronze. The soldiers marched with trailing weapons and cloaks dragging in the dust, looking surly and tired, for these noble fellows are averse to anything but battle or inaction. The coarse banter and threadbare jests which delighted them but yesterday had lost their savor. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
