Date :2008-2-29. At present, China's agriculture has made significant progress in restructuring the rural economy has developed steadily. However, the current agriculture and rural economic development, there are still some problems, highlighting the income of farmers is still difficult. If the income of the farmers do not increase, not only affect their living standards improved, and constraining rural economic development, affecting the entire national economic growth. Therefore, solving the problem of farmers' income, the whole situation is of great significance. Adopt comprehensive measures to effectively help farmers increase their income, is currently an important agricultural and rural work tasks. This book is the key technologies farmers 'income one hundred books in a farmers' income one hundred key technology series covers the planting, breeding, garden and economic aspects of rural economic development, by Yuan Longping, the official spring Cloud Academy of Sciences led to create the three rural fine books, the content of scientific, reliable, practical, on behalf of the current level of development of agricultural technology, for farmers to provide strong technical support. Books are used for each color insert edition, illustrated, easy to understand. This book includes: pig infectious diseases prevention and control measures and key technology, respiratory system diagnosis and prevention of infectious diseases, reproductive system, the differential diagnosis of infectious diseases and prevention, diagnosis and prevention of infectious diseases digestive system, nervous system and the diagnosis of infectious diseases prevention and control, mainly for agricultural production in the first line of common swine disease prevention and control technology staff and friends of farmers to use. Contents: Chapter 1 Introduction A Pig incidence and prevalence of infectious diseases...
