

Amy's Diary

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Paperback. Book Condition: New. Not Signed; Set during the Second World War in Liverpool, this is a wonderful Maureen Lee tale - written specially for the World Book Day Quick Reads promotion. On 3 September 1939, Amy Browning decided to start writing a diary. It was a momentous day for so many reasons: it was Amy's eighteenth birthday; her sister had just given birth to a baby boy; and on the radio it was announced that Great Britain was now at war with Germany. For a while, life didn't change very much for Amy. Living with her family in Opal Street, Liverpool, Amy and her friend both got jobs at a factory and spent their free time looking round the shops, or watching the ships being loaded at the docks. But as the months went by, things began to change. The bombing started, and Amy's fears grew for her brother, fighting in France, and her boyfriend Ian, in the RAF. book.
