THERE S CORPSES EVERYWHERE: YET ANOTHER LIO COLLECTION

Andrews McMeel Publishing, United States, 2010. Paperback. Book Condition: New. 226 x 210 mm. Language: English . Brand New Book. Emmy award-winning animator and producer Mark Tatulli's comic strip Lio is dark, twisted, visually stunning and totally irresistible. Lio is a curious scientist, a comic-book fan, defender of the defenseless and creator of an army of robot zombie bunnies all without saying a word. Through the age-old style of pantomime strips, Tatulli's Lio offers a decidedly new and edgy twist to the wordless comic format. That's right-- Lio is so crafty it doesn't need word balloons, dialogue boxes, or copious captions. Employing a unique drawing style influenced by cartooning greats Gahan Wilson, Charles Addams, and 19th-century satirist A. J. Volck, Tatulli's cartoon creation is completely nonsyllabic but dramatic nonetheless, and was awarded as 2009's Best Newspaper Comic Strip by the National Cartoonists Society. The result of Tatulli's creativity is a mind-bending, comical, and astute journey into the darkly detailed world of spiky-haired Lio, a curious young scientist and comic book fan whose daydreams embark from the dark chasm where wit and sarcasm collide. Defender of the defenseless and the inventor of a legion of zombie bunnies, Lio is joined in his day-to-day exploits by his exasperated and sleep-deprived father, a pet snake named Frank, a squid named Ishmael, and various imaginary robots and creepy, crawly monsters. Within this humorously macabre framework of sarcasm, parody, and high jinx, sidesplitting laughter abounds--all without so much as a word.
