Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

SAN DIEGO SPY GAMES

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This contains all three episodes of the San Diego Spy Games series. 1967 marks the first year of Agent Svetlana Ivanova's illustrious career in the KGB. Straight out of training, the beautiful Russian spy embarks on her first mission in America. The plan is simple: assimilate into American society, kill Russian traitors, and gather intelligence for the KGB. Episode 1: This thrilling espionage series introduces Agent Ivanova as she travels to the beautiful beaches of San Diego on her first mission. While the mission details are vague, Agent Ivanova knows she must be wary of everyone around her, as traitors are abundant. Episode 2: Two months later and the newest missions seems simple enough-enter a warehouse undetected and photograph new Sonar technology. Using a new weapons technology, the Soviets have the perfect cover for her . . . a snowstorm in paradise. Episode 3: New construction of Coronado Bridge in San Diego is underway. Along with her commanding officer, Doctor Yuri Volkov, Svetlana observes, and waits. Little does she know someone is looking for her. An evening reconnaissance outing turns sour, and Svetlana shows why she was selected for this dangerous mission in America. Inspired by actual events. Written by Craig Wessel.
