MEDIEVAL ESSAYS

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: This book is a collection of nine articles by the twentieth century s leading medievalist, Etienne Gilson. A major participant in the revival of Thomistic philosophy, Gilson was a member of the French Academy and, after a university career culminating at the Sorbonne and the College de France, he turned down an invitation from Harvard University to become the guiding spirit of the Pontifical Institute of Medieval Studies at the University of Toronto for several decades. Several of the articles stand on their own as making a significant contribution to topics like St. Anselm s ontological argument for the existence of God. Likewise, The Middle Ages and Naturalism contrasts Renaissance Humanists and Reformers with the medievals on the defining issue of their attitude toward nature in order to understand who actually stands closer to the ancient Greeks. All of the articles give an insight into the great synthetic visions articulated by the better-known works of Gilson like The Spirit of Medieval Philosophy. We see Gilson s meticulous spadework for the broader theme of Christian philosophy in his examination of the Latin Averroist Boethius of Dacia s book on the eternity of the world. Gilson finds that Boethius never expresses the view attributed to Latin Averroism that there are contradictory truths in religion and philosophy, although he does think that Boethius is unsuccessful in his account of the relations between philosophy and theology. The opening piece revisits a battle now won (and won in great measure by Gilson s efforts), namely the fight to acknowledge the very existence of medieval philosophy and win its place in the academic world. But the article also makes the effort--which...
