*****.ZEN Doodle Art Drawing Underwater Life with Amazing Zen Doodle Technique I've always been attracted to all the things that have to do with water, particularly the sea, rivers and lakes, as well as secret worlds that these large waters are hiding under the surface. In part, this can be attributed to my zodiac sign Pisces. The book, ZEN Doodle Art -Drawing Underwater Life with Amazing Zen Doodle Technique provides an insight into the amazing parts of an underwater world in a very exciting and creative way. Get to know better the inhabitants of the underwater world through the Zen art of drawing and make them alive on your drawings!The modern technique of Zen art began by drawing tangled patterns on paper tiles measuring 9 times 9 centimeters. However, as the human imagination is an inexhaustible reservoir of creativity, now we can find books with instructions on how to draw Zen cats, Zen dogs, Zen girls etc. The book, Underwater Life Doodle provides specific instructions how to draw some of the residents of the...
