Church Publishing Inc, United States, 2005. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Working with Margaret Benefiel has helped me, in a short time, become grounded in Spirit in my corporate workplace. The power and productivity of this spiritual work gives me hope that leaders can encourage people to bring their whole selves into the workplace and that this will lead to more tangible and positive organizational results. --Kerry Hamilton Senior Vice President, Director of Marketing, BJ s Wholesale Clubs In the last ten years, dozens of books about spirituality and management have demonstrated the yearning for spirituality in the workplace that exists in people like Kerry Hamilton. No longer content to abide the widening chasm between their deeply-held values and the all-too-common business practices they encounter, these readers long for congruence between their values and their work. They wonder whether the days of the giants of corporate character like Johnson Johnson, businesses who believed that integrity and profitability could co-exist, are gone for good. Are we living in a state of business and organizational entropy? Are we doomed to endless repetition of the Enron, Worldcom, and Global Crossing scandals? Must integrity and profitability now be opposed? What has happened to American business, healthcare, and non-profits in the last forty years? Soul at Work: Spiritual Leadership in Organizations demonstrates vividly that another way is possible, based on the contemporary restoration of the partnership between integrity and profitability. Soul at Work translates the core of what companies like Johnson and Johnson stood for forty years ago into contemporary forms. Soul at Work shows, through compelling stories of contemporary businesses, healthcare organizations, and nonprofits, how integrity, profitability, and personal and organizational transformation are all of a piece.
