

## World History in Brief: Major Patterns of Change and Continuity, to 1450, Volume 1, Penguin Academic Edition (8th Edition)

Filesize: 4 MB

### ***Reviews***

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

***(Juliet Mertz)***

## **WORLD HISTORY IN BRIEF: MAJOR PATTERNS OF CHANGE AND CONTINUITY, TO 1450, VOLUME 1, PENGUIN ACADEMIC EDITION (8TH EDITION)**

Pearson, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a high quality, affordable text that has very strong instructor resources." -Kristopher Treat, Arizona State University "I really appreciate the instructor's manual and the way the book highlights themes and key questions. These additional aids facilitate covering a lot of material quickly but coherently." -Kathleen Parrow, Black Hills State University "Its brevity allows me to expect students will read everything, while it is still a good text despite being so brief." -Matthew Stanard, Berry College "The brief version works well for a one-semester course. Stearns does not get bogged down in the details; he presents a broad overview of critical points and cultural traits." -Terry Reynolds, Michigan Technological University.
