She lives alone, an hour outside of Stockholm where she practises as a psychotherapist, her nearest neighbour far away. She is terrified of the dark. Siri tells herself that she has moved on since her husband died in a diving accident. But when she goes to bed at night, she leaves all the lights on, unable to shake the feeling that someone is watching her. What if she has good reason to be afraid? Thrown headlong into a tense murder investigation, everything Siri believed is called into question. Can she trust anyone?.
