She later went on to receive a Bachelor of Fine Arts Degree from the University of San Francisco and the Academy of Art University, as well as an undergraduate educational background in early childhood and a graduate educational background in counseling psychology. Jackie then became a preschool teacher, and has been one for over eighteen years in Northern and Southern California. The tips and observations in this little book are based on real experiences over a span of many years, and do work. Jackie sincerely wishes you and your children the very best.
