Integrated Life Strategies, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The advent of Quantum Physics has begun a revolution in thought that is changing the practice of medicine, our understanding of the human body and the world itself. The church has a history of rejecting the unfamiliar out of fear of deception and often missing powerful truths. A Believers Guide to the Law of Attraction demystifies what was once thought of as only metaphysical or New Age, grounding it in both science and scripture. Even beyond that, this book is a map to finding a new level of living a life full of God s peace and joy and the possibility of changing your life and the world as a unified body of believers.
