Thomas Nelson Publishers, United States, 2013. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. Moms, are you struggling with patience? Worrying about your children's spiritual development? Concerned about their social or behavioral issues? Wondering how to get it all done when there's just never enough time? Author Marla Alupoaipei knows that today's Christian moms want to be the parents God intended. They desire to pray boldly and stand in the gap for their kids. But many mothers haven't been equipped with the prayer skills, scriptural knowledge, and practical strategies to fight the spiritual battle for themselves and their children. Marla is no stranger to these trials. She has felt the simmering frustration and discontentment that come from the constant tension of trying to do it all for her family. But as Marla began to turn everything over to God in prayer, He granted her an attitude of gratitude, the antidote to despair. When you and I choose to praise the Lord, He will be fully present in our hearts, in our homes, and with our children, she says. In *Prayer Warrior Mom*, Marla invites you to walk with her through fifteen life-transforming principles that will empower you to effectively intercede for your children. Learn to cultivate your own attitude of gratitude, pray Scripture, be persistent, pray with power and authority, be your children's #1 advocate, hear God's voice above the noise of daily life, and much more! The only real power we have on this earth is the power of prayer. Our potent prayers for our kids connect them with the reality of God and His will for their lives, Marla says. Mom, this is your year. Your year of spiritual breakthrough. Your year to see your children...
