

Odd 1 Out: Patterns

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Arcturus. 1 Board Book(s), 2013. soft. Book Condition: New. "All these things are stripey, but this one is a different pattern. Can you see, it has . spots." Things with stripes, spots, zigzags, spirals, and waves from zebras and pajamas to lollipops and wiggly worms are all compared here. This intriguing board book cleverly uses die-cut windows to allow prereaders to directly contrast various qualities of everyday items. Each two-page spread shows a number of objects with something in common, along with an odd one, seen through the cut-out window. Turn the page to see the group that the odd item really belongs to, along with a new "odd one." 10.
