John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Christianity in 10 Minutes, Brian Mountford, You want to know about Christianity? Maybe you've visited a church or cathedral or looked at religious paintings in an art gallery and wondered what the meaning is behind them, why they evoke some sense of mystery and wonder. This short, but profound, "ten minute guide" will help begin to unfold that mystery. Starting with the gospel story, it moves on to the intuitive response to God, the desire for meaning, and how the story can change your life. It answers for the modern reader the lawyer's question to Jesus; "What must I do to inherit eternal life?" If you want to begin at the beginning with the Christian faith, I can't think of a better way than by sitting down and reading this little book through. Plain-spoken, straightforward, succinct, here is a fresh introduction to the essentials-what Christians believe, how and why they believe what they do, what difference it can all make. If you've been around churches all your life and never fully grasped what it's all about, this is a superb refresher. If Christian faith is brand new to you, what a helpful first step you're holding in your hands. Rev. Dr. Sam Lloyd, Dean of the National Cathedral, Washington DC The most valuable 10 minutes you will spend this year. Gospel truth. The essence of Christianity, simply and memorably explained. Read it. Peter Bennett-Jones, Chair of Comic Relief.
